

PUBLIC NOTICE FOR THE UPCOMING CONSULTATION OF A-3 AND A-4 GENERATION AUCTIONS

- The National Agency of Electric Energy (*Agência Nacional de Energia Elétrica*, or ANEEL) has approved the opening of public consultation to subsidize the elaboration of the A-3 and A-4 Generation Auctions' Public Notice.
- The agency will receive contributions from the interested parties during a 46-day period, between February 11th and March 29th, 2021. Contributions will be accepted via e-mail at cp004_2021@aneel.gov.br.
- All public consultation documentation will be made available through the agency's website: www.aneel.gov.br/consultas-publicas.
- The auctions' public notice contains, among other things, the objectives, the deadlines, and the minutes for the purchase agreement discussions, including the contractual modality adopted and the financial guarantees to be provided by the distribution agents.
- The A-3 and A-4 auctions are aimed at contracting energy from hydropower, wind power, solar photovoltaic power, and biomass thermal power plants.
- The Auctions will be held on June 25th, 2021, "A-3" then "A-4" sequentially.
- The public consultation is an administrative instrument used by the ANEEL to support the activities in the instruction of regulation and inspection processes, or the implementation of specific attributes.
